Dear Valued Customers

Notice of Discontinuance

Thank you very much for your continued use of our products.

In order to improve the performance of our LED lighting fixtures, we have decided to implement a model change.

Therefore, we would like to ask you to replace the discontinued model with the successor model as shown in the attached sheet.

The discontinued models will be discontinued on September 29, 2023.

The date of discontinuation of each Cat-No. may be changed depending on the status of future orders.

We apology for this inconvenience and will highly appreciate for your understanding.

Yours faithfully,
SEIWA ELECTRIC MFG. CO., LTD.
