SEIWA ELECTRIC MFG. CO., LTD.

Dear Valued Customers,

Notification of Discontinuance

Thank you very much for using our products.

We have been widening the line-up of LED lighting fittings, **STAR LED'S** series, which has high-efficiency performance and is able to replace conventional lighting fittings.

In the Japanese lighting industry, Ministry of Economy, Trade and Industry and Japan Lighting Manufacture Association set the promotion goal of spread of Solid State Lighting (semi-conductor lighting). Given this situation, we are planning to discontinue fluorescent lighting fittings as follows

We deeply apologize for your inconvenience and we ask for your generous understanding and continued patronage.
